Professional Summary

Experienced and adaptable general dentist with over 17 years of clinical practice across correctional, private, corporate, and high-end dental settings. Proven ability to manage diverse patient populations and perform a wide range of procedures including surgical extractions, socket preservation, suturing, prosthodontics, and same-day CAD/CAM crowns, crown and bridge and smile design. Adept in both solo and team environments, and fully credentialed for jail-based clinical dentistry. Entrepreneurial founder of Curated Dental, an innovative oral care company focused on product development and home-based preventive solutions.

Work Experience

- PRN / Contract Dentist

Various Sites: Wellpath, NaphCare, Aspen Dental, iSmileSpa | CA | 2022–Present
